

February 27, 2018

Hello friends of the Amy Gallagher Foundation! Thank you for your continued support for the foundation's mission to Be a Bright Light for Brain Cancer. We wanted to provide you with some updates regarding contributions for 2017 and planning for 2018.

Thanks to everyone's generosity in 2017, the Foundation granted \$60,000 to Dr. Dietrich's research for adult brain cancer at Mass General. For those of you who attended the Gala over the last 2 years, you heard first hand Dr. Dietrich's amazing work to find a cure and to help patients maintain their quality of life for the duration of treatment. Mass General is incredibly grateful for this dedicated funding in the Foundation's name.

Thank you to past sponsors and donors who have reached out to members of the committee inquiring about a 2018 Gala in support of the Amy Gallagher Foundation.

To date, Amy is truly a medical miracle and continues to be a bright light in many ways. However with Amy's declining health status, the board has made the decision not to host any events for 2018. In lieu of hosting fundraising events this year, ***please consider making a direct contribution to support Amy's passionate cause.***

If you were a Sponsor of Illuminations, please consider making a donation at last year's sponsorship level to the Amy Gallagher Foundation. Your sponsorship will be highlighted on the Amy Gallagher Foundation website.

If you are a Supporter, please consider making a contribution and log on to www.amygallagherfoundation.org to learn more about the Amy Gallagher Foundation and make a donation.

Whether you're a Sponsor or a Supporter, 100% of your contribution will go directly to adult brain cancer research. The impact will be so much greater. The Amy Gallagher Foundation continues to support research and bring awareness and hope to adults with brain cancer.

Amy continues to shine and courageously fight for herself and others. Thank you for keeping Amy and all cancer patients in your heart and prayers. Please direct any questions through the Amy Gallagher Foundation website.

Sincerely,
The Amy Gallagher Foundation
